*"I have told you these things, so that in me you may have peace.
In this world you will have trouble. But take heart!
I have overcome the world." John 16:33*

Sweet Daughter,

Oh, how you have grown this year!

Thank you for your willingness to move as I move. But I am not done with you yet. There is still a lot of this year left, so don't move too far ahead. I commend you for where you have placed your heart and trust. Stay there in My perfect peace. I have wonderful plans for you. Will you take My hand and trust Me? Accept My invitation and walk, one step at a time.

This won't be easy. But of course you already know that. There will be opportunity to doubt, but I encourage you to trust Me as I grow you. Remember Jeremiah 29th. I have plans for you and they are good. Sometimes things will be uncertain and you won't understand. That is OK. Remember I am your Father and you have to rest in My words, knowing it is Truth because I said so.

Don't listen to the lies of the enemy. You have become quite familiar with his voice and I am so thankful that the more time we spend together, the better you become at distinguishing his lies versus My Truth. Keep listening. Keep your heart soft towards Me. Don't let pride trip you up. Don't focus on what is yet to be accomplished, because you don't say when you are done... I do. And I already have that precious moment planned.

Remain faithful to Me as you walk forward.

Remember that I am a God of relationship, not rules. Don't bind yourself to schedules and your plans. Leave room for Me to move. When you do, you will feel refreshed, peaceful, strong and more connected than ever before. Just listen to Me, my darling. Listen when you are relating to others, reaching for your goals and when you rest. I am there.

Listen. Move. Act. Rest. I have every aspect of your life in the palm of My hand: your marriage, your family, your ministry, your finances, your future. ALL of it.

Trust Me. Release control. I am the God of your soul. Believe that truth. Reaffirm it to yourself and those around you daily. Give yourself away for My glory as you receive all I have for you. When you give yourself away is when you actually have the most. Because you have Me. Submit daily.

Move forward. Wait expectantly. The best is yet to come.

Persevere always.

*And as you remember Me,
know that I will always remember you.*
